Section Two:
Assessment of Narrative Report

Note: The University of Washington had a NAAB Visit in Spring 2008. Part II – Narrative of the Annual Report is not required in the year that an APR is submitted nor in the year that the program hosts a team visit. Therefore, there is no response to the Annual Report submitted for academic year 2007-2008.

† Although an area may be marked “satisfied, no further reporting required,” the next visiting team may include in its report its own assessment of the program’s response to the deficiency.
